American Recovery and Reinvestment Act of 2009 Creates Benefits for RV Buyers

Consumers who purchase a new motorhome or tow vehicle between February 17 and December 31, 2009, can deduct the state and local sales and excise taxes paid on and attributable to the first \$49,500 price of a motorhome or tow vehicle when they file their 2009 Federal income taxes. This deduction for individual tax filers up to \$125,000 in income, or joint filers up to \$250,000, phases out at the highest income levels but the filer does not need to itemize deductions to get the benefit.
