Camp Hill, PA—The Pennsylvania RV & Camping Association (PRVCA) is pleased to announce the release of the 2012 edition of *Explore Pennsylvania*. The official PRVCA membership directory and consumer magazine features 52 pages of RV and camping tips designed to give you the latest information in RV trends and make your next adventure to PA a great one.

This year's publication features 10 Pennsylvania destinations to explore in your RV, tips on purchasing the right RV, renting an RV, RVing with extended family, details on America's Largest RV Show and a feature on Pennsylvania wine trails.

This guide contains a PRVCA membership directory connecting readers to campgrounds, dealers, suppliers, manufacturers and other services. The listings contain contact information and a brief description of the products and services available. The dealerships and campgrounds are divided into five geographic regions making it easy to find an RV or campground in the location you desire. Manufacturers, service, suppliers, transport, rentals, press, insurance, finance, distributors, associations and after market dealers are listed alphabetically by category. The guide also includes attractions and events in each geographic area.
