

The 15th Largest Trade Show in the Nation is in Central PA!

According to *Tradeshaw Week 200* Central Pennsylvania is home to the 15th largest trade show in the nation - The Pennsylvania RV and Camping Show. The Pennsylvania RV and Camping Show is managed by the Pennsylvania Recreation Vehicle and Camping Association (PRVCA) and is located in Hershey, PA at the HERSHEY PARK® Entertainment and Resorts Complex.

The Pennsylvania RV and Camping Show is unique because it incorporates both trade and retail days. Hundreds of RVs will be on display from all of the leading manufacturers. The show also includes a wide variety of suppliers, vendors and educational speakers.

Two industry breakfasts will be held featuring guest speakers **Randy Sobel** and football legend **Jerome Bettis**. Campground and resort management have a chance to learn from experts **Linda Profaizer** and **Bill Garpow**. Bring your bobby socks as this year's industry party will feature 50s style cuisine, spine-tingling rides of HERSHEY PARK® and a spectacular concert by **Bowzer's Rock'n Roll Party** starring:

The Original Comets

“Rock Around the Clock”; “Shake Rattle & Roll”; “See You Later Alligator”

Freddy “Boom-Boom” Cannon

“Palisades Park”; “Tallahassee Lassie”; “Where the Action Is”

Jay Siegel & The Tokens

“The Lion Sleeps Tonight”; “Tonight I Fell in Love”; “Portrait of My Love”

Bowzer & The Stingrays

Hosted by: BOWZER

Executive Vice President, Rebecca Lenington attributes much of the show's growth to the foresight of the show committee and PRVCA staff. The completeness of the show makes it a huge attraction by having all aspects of the industry included. The PA RV and Camping Show successfully sets itself apart from others by effectively merging trade and public days making it the ultimate hybrid show.

“Trade days are Hershey's best kept secret,” Doug Gaeddert of Forest River says. “There's no waiting in line to talk to your manufacturer rep and you don't feel rushed like you do at other shows.”

The Pennsylvania RV and Camping Show will be held from September 14-20, 2009. For more information about PRVCA or Tradeshaw Week 200, please visit the web at www.largestRVshow.com or www.tradeshawweek.com.
