

FREE
OR DISCOUNTED

For

Tools Techs

The Pennsylvania Recreation Vehicle and Camping Education Foundation is happy to offer "Tools for Techs" to students registered in the Pennsylvania RV Tech Apprenticeship Program or an NRVTI Program.

FREE if you are a Pennsylvania RV Technician Apprentice, the rules are:

The Foundation owns tool kit until completion of apprenticeship

The sponsoring dealership has custodial responsibility for the tool kit

Should the apprentice withdraw or not satisfactorily complete the program, the tool kit will come back to the foundation and can be transferred to another dealership / apprentice

DISCOUNTED if you are an NRVTI student on-site or involved in the distance learning, the rules are:

You must complete a minimum of 50% of the total training hours offered

You must provide proof of enrollment and completion of training and it must be signed by the training institute administrator

The purchase of tools must go through PRVCEF and be delivered to dealership via MATCO

The complete kit must be purchased in order to receive the PRVCEF discounted price if you choose to purchase the kit.

For more information please contact PRVCEF at 888-303-2887

The Pennsylvania Recreation Vehicle and Camping Education Foundation is sponsored by the Pennsylvania Recreation Vehicle and Camping Association and is supported by the members of the association and through various fundraising activities of its board of directors.
